Transfers
Initiated/
Approved

Point of Authority
Assigned

Data Accounting

- Review Teacher Entries/Student Scores
- Update Users + Students
- Confirm Enrollments + Active/Inactive Status

Data Accuracy

- Approve/Submit Transfers
- Set Point of Authority Status
- Review Reports

Data Analysis

- Use Data Displays
- Access Your Archives

Reports

Reports

Data Downloads Report

- Excel file showing all teachers, students, and enrollment data in the system.
- Used to confirm/check data loaded in the KReady system.
- Available during and after the administration window.

SKB Ratings Report

- Excel file showing teacher entered SKB student ratings.
- Used to assist in monitoring what items have been completed during an assessment window.
- Available during and after the administration window.

Data Archive

- Excel files showing data that has been downloaded from the system through years of activity.
- Used to assist in reviewing historical data for reports generated.
- Available during the administration window for prior years, and after the window for the “active” year.
